Oticon • Delta

STYLISH in your hand, virtually INVISIBLE on your ear

One out of two people over the age of 50 have difficulty understanding what people say in noisy situations. If you have experienced this, there is no need to worry anymore.

Delta's sleek design comes in 17 attractive colours. It's tiny - yet sophisticated- and loaded with High-Tech Artificial Intelligence that adjusts to virtually any situation

Introducing Delta - a revolutionary new hearing device, where innovative design meets today's most advanced technology. Refreshingly discreet. Yet highly intelligent.

For more information about Delta, call 403-945-0123 to book your no obligation consultation.

DON'T MISS OUR SPECIAL OPEN HOUSE on November 20 to 21, 2006 from 9:00 am till 5:00 pm!

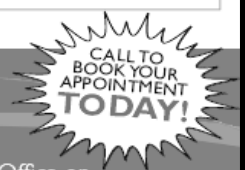

Airdrie Hearing Clinic is hosting an Open House on Monday November 20 & Tuesday November 21, 2006 from 9:00 am to 5:00 pm. Lesley Boorman, a representative from Oticon Canada will be at our office to answer questions on this dramatically different hearing device, Delta. This will be an opportunity for individuals to learn more about hearing loss and to see for themselves the difference this new technology can make.

If you think you or a loved one has a hearing loss, don't miss this opportunity to receive professional advice in time for the holidays!

Call us today to schedule your hearing evaluation and no obligation appointment for a demonstration at this Special Open House. Space is limited!
